

How to get started

2

Our team will coordinate an appointment for you with a psychiatrist in our program or provide you with the contact information for one that works with the Be Well, Be Connected program.

1

Parent or legal guardian contacts the Be Well, Be Connected Program directly through phone or email.

3

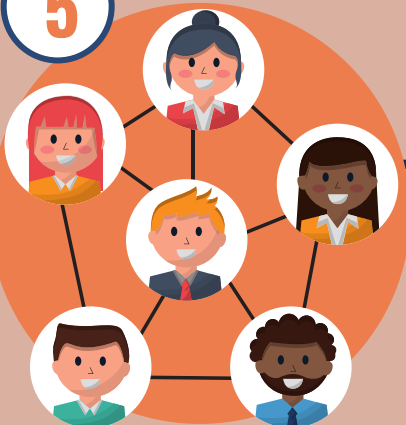

Complete Intake with a designated program psychiatrist. Eligibility will be determined

4

Once eligibility is confirmed you will begin intake process and consent forms

5

Begin meeting with therapists and clinical care team

If a child or student is experiencing an immediate crisis, please call 911 and have the student transported to the closest emergency center.
